

What is Driver Screening?

Driver screening is an assessment process for anyone who has a medical condition, disability or injury that may impact on their ability to drive safely.

Our qualified and registered Occupational Therapy Driver Assessor will assess a person's vision, physical and cognitive abilities related to driving.

Providing:

- advice on driving aids and or vehicle modifications
- liaison with vehicle modification engineers
- rehabilitation program
- reports for doctors and the road transport authority

Arthritis ACT Driver Wellness Service

Arthritis ACT is now offering
driver screening services to
ACT and NSW residents,
performed by our
Occupational Therapy
Driver Assessor.

OFF ROAD SCREENING

Off road assessments are performed onsite at an Arthritis ACT Office location (Bruce or Pearce). By clinic appointment only. Off road assessments are eligible for Enhanced Primary Care Plan (EPC) Medicare rebate.

ON ROAD SCREENING

On road assessments are performed in a vehicle with our occupational therapist and a driving instructor.

An Off Road assessment must be done prior to the on road assessment.

NO REFERRAL NEEDED

To be eligible for an occupational therapy driver assessment you must be:

- over 16 years and 9 months of age
- hold a current valid driver licence or learner permit
- have a completed driver medical assessment form

WHAT TO BRING TO YOUR APPOINTMENT

- reports about any medical conditions, disabilities or injuries
- completed driver medical form
- support person
- EPC referral if applicable

TO PROTECT THE HEALTH AND SAFETY OF EVERYONE PLEASE ADHERE TO ALL COVID-19 HEALTH ADVICE.

RESULTS

The results of the driver screening assessment are discussed with you, your support person and your doctor as appropriate.

REPORTS

Reports are sent to:

- Road Transport Authority (Access Canberra)
- Transport for NSW
- General Practitioner or other health professional as required

SCREENING FEES

OFF ROAD \$200

ON ROAD \$950

Fees are approximate only and will be discussed prior to the assessment.
